*Gm* *C* *Gm C GmC*  
You got to change your evil ways, baby

*Gm C Gm C*  
Before I start lovin' you.

*Gm CGm C*  
You got to change, baby

*Gm C Gm C*  
And Every word that I say is true

*Gm C7 Gm7 C7*  
You got me runnin' and hid'in all over town

*Gm C7 Gm7 C7*  
You got me sneakin' and a peepin' and runnin' me down

*D7 (stum 11times) Gm*  
This can't go on Lord knows, you got to change,.....

Lord knows you got to change, baby

Baby

When I come home, baby

My house is dark and my thoughts are cold

You hang around, baby

With Gene and Joan and a who knows who

I'm gettin' tired of waitin' and foolin' around

I'll find somebody that won't make me feel like a clown

This can't go on

Lord knows you got to change
