

# I CAN SEE CLEARLY NOW

Johnny Nash

*D*                    *G*                    *D*                    *D*  
I can see clearly now, the rain has gone  
*D*                    *G*                    *A*                    *A*  
I can see all obstacles in my way  
*D*                    *G*                    *D*  
Gone are the dark clouds that had me blind  
*D*                    *C*                    *G*                    *D*  
It's gonna be a bright, bright, shiny day  
*D*                    *C*                    *G*                    *D*  
It's gonna be a bright, bright, shiny day

I think I can make it now, the pain has gone  
All of the bad feelings have disappeared  
Here is the rainbow I've been praying for  
It's gonna be a bright, bright, shiny day  
(It's gonna be a bright, bright, shiny day)

Look straight ahead, nothing but blue sky

I can see clearly now, the rain has gone  
I can see all obstacles in my way

It's gonna be a bright, bright, shiny day  
It's gonna be a bright, bright, shiny day
