You know we made a vow to leave one another never

But now you never miss your water till your well is dry

Come on now baby give our love a try

Let's stick together, c'mon c'mon let's stick together

You know we made a vow to leave one another never

Then if you're stuck for a while consider our child

How can it be happy without its ma and pa

Let's stick together, c'mon c'mon let's stick together

You know we made a vow to leave one another never
