Starsailor - Love Is Here - 2001

*Gm* *Gm'*  
/--++/++++/-.../....  
*Gm* *Eb/G*  
/++++/++++/++++/++++

*Gm* *Eb*  
Sure you see the lover in me,  
*Dm7* *Gm*  
And we could join our hands together,  
*Eb*  
If you could see how good it could be,  
*Dm7* *Gm*  
We'll sing these stupid songs forever,

*Eb* *Dm7* *Gm*  
Can you feel it?, Love is here,  
*Eb* *Dm7* *Gm*  
It has never been so clear,  
*Eb* *Dm7* *Gm*  
You can't love what you have not,  
*Eb* *Dm7* *Gm*  
So hold on to what you've got,

*Gm* *Eb/G*  
/++++/++++/++++/++++ :|

Is Judy really smiling for me?  
I'd change my name in case she finds me,  
Trembling I can't believe,  
I've got to leave the girl behind me,

chorus

*Gm* *Eb/G*  
/++++/++++/++++/++++ :|

If you could see the aching in me,  
I'd change my name in case you lost me,  
Trembling down to my knees,  
I've got to leave the world behind me,

chorus

Feel it? Love is here.  
Can you feel it? Love is here.  
Can you feel it? Love is here.  
Can you feel it? Love is here.
