

WHERE THE STREETS HAVE NO NAME

U2, Bono

Intro

D
I want to run, I want to hide
G
I want to tear down the walls that hold me inside
Bm *A*
I want to reach out and touch the flame
D/C
Where the streets have no name
D
I want to feel, sunlight on my face
G
See that dust cloud disappear without a trace
Bm *A*
I want to take shelter from the poison rain
D/C
Where the streets have no name

chorus

D
Where the streets have no name
Where the streets have no name
We're still building
G
Then burning down love - burning down love
Bm *A*
And when I go there, I go there with you...
D
It's all I can do

The city's a flood and our love turns to rust
We're beaten and blown by the wind - Trampled in dust
I'll show you a place high on the desert plain
Where the streets have no name

chorus

D
Our love turns to rust
G
And we're beaten and blown by the wind
Blown by the wind
D
Oh and I see love
See our love turn to rust
And we're beaten and blown by the wind
G
Blown by the wind
Bm *A*
Oh when I go there, I go there with you
D
It's all I can do
