*D Asus4 Bm7*  
See the stone set in your eyes,  
*Gsus D*

See the thorn twist in your side  
*A Bm G*  
I wait for you

Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait....without you

With or without you  
With or without you

Through the storm we reach the shore  
You give it all but I want more  
And I'm waiting for you

With or without you, with or without you aha  
I can't live with or without you

one chorus, guitar lick at the end

And you give yourself away  
And you give yourself away  
And you give  
And you give  
And you give yourself away

My hands are tied  
My body bruised, she's got me with  
Nothing to win and  
Nothing left to lose

And you give yourself away  
And you give yourself away

And you give  
And you give  
And you give yourself away

With or without you  
With or without you ohh  
I can't live  
With or without you

Ohhhh ohhh ohhh....

With or without you  
With or without you ohh  
I can't live  
With or without you  
With or without you
